# Enhanced grip and slip resistance

*Modern architectural look with pyramid texture*

The Pyramid Series brings modern geometry to interior spaces with a subtle three-dimensional pyramid pattern that adds depth without overwhelming the design. Manufactured in a standard 600x600MM format, these tiles offer the perfect balance between contemporary style and practical installation.

The Pyramid Series is available in multiple color options including neutrals and accent shades, allowing easy coordination with walls, furniture, and décor themes. Whether you prefer warm earthy tones, cool greys, classic beige, charcoal, or trendy pastel colors, the design keeps its geometric character while adapting to different interior moods.
